

Certificate III in Early Childhood Education and Care

CHC30125

RTO 4008

About this course

This Nationally recognised and accredited qualification enables you to work as an Early Childhood Educator, Kindergarten Assistant, Nanny or in Out of School Hours Care. This course develops your skills for a career in the Early Childhood Industry. It provides vital information about caring for and supporting the development of young children.

Study towards a challenging career that transforms lives, inspires futures and makes a difference. Use your creative and communication skills in a rewarding early childhood position developing young minds.

Our programs are led by highly qualified trainers who have valuable experiences in training and within the industry. They understand the needs of adults, especially those who are returning to study. Our class sizes are small so our trainers have time to personally interact with you. We offer an encouraging and supportive learning environment to ensure that our students have quality training.

Entry Requirements

There are no mandatory entry requirements for this qualification. Appropriate language, literacy, digital literacy and numeracy skills are required. A current Working with Children Check (volunteer) is required as students undertake work placements.

Students must be capable of completing the physical requirements of the first aid course.

Application Procedure

Prospective students are required to participate in a pre-training review to determine their suitability to participate in the program. Prospective students complete a language, literacy and numeracy assessment to identify whether modification of training and assessment strategies is required.

CHC50125	Diploma of Early Childhood Education and Care	Bachelor of Education (Early Childhood)
----------	---	---

Training and Assessment Methods

Assessment is conducted using a number of methods including written assignments, class exercises, observation, role plays, group work, projects, case studies and journals. Students are also assessed during their work placements. All assessments are directly linked to the work performance criteria specified in the units of the qualification.

Recognition of Existing Skills and Knowledge

Recognition of Prior Learning (RPL) takes into account the knowledge and skills you've already gained through your previous education and work. This may be through formal or informal learning, paid or unpaid work experience. All students will be offered RPL application information at their pre-training review.

This course brochure should be read in conjunction with the "Information for Prospective Students" brochure. Our policies, including Refund Policy and Student Complaints and Appeals, are available on our website www.parkorchards.org.au

"This training is delivered with Victorian and Commonwealth Government funding"

To be eligible for Skills First funding, students must be an Australian citizen or permanent resident, or New Zealand citizen (or meet other special criteria—please speak to our staff), and must also be physically present in Victoria while undertaking their training and assessment.

Fees may be subject to change if there is a change to total scheduled hours or changes in government funding.
